## How our Flurn class looks ?

# Nurturing 21st-century skills through dance

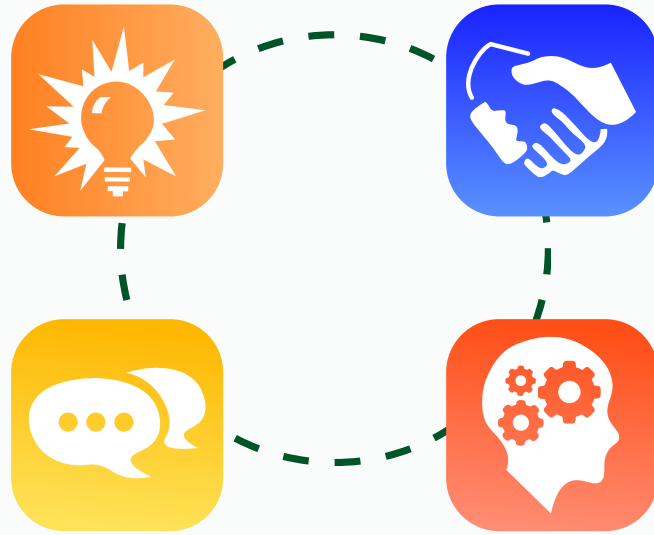

We're on a mission to prime students for a dynamic tomorrow by nurturing 21st-century skills like collaboration, communication, creativity, social skills and more

## Creativity

Dancing creates unique connection in the brain that helps to craft different perspectives & think out of the box

## Collaboration

Exposure to different cultures, languages through dance broadens your child's perspectives to collaborate better

## Communication

Through facial expressions & gestures in dance; we strengthen communication skills and confidence in children

## Critical Thinking

Mindfully catching dance movements helps children develop their unique ways of thinking & solving problems

The image shows a performance evaluation form for FLURN Academy of Dance. The form includes fields for Name, Program, and Date. It features a feedback section with five speech bubbles containing phrases like "Good start.", "You're picking up well.", "You're almost there.", "Lovely! You're doing great.", and "Wowww! You're a rockstar." Below this is a checklist for "I. Dance Performance" (Musicality, Flexibility, Expressions, Body Language) and "II. 21st Century Skills" (Confidence, Creativity, Collaboration, Communication). There are also sections for Teacher's Comment and Teacher's Signature. Two t-shirts are displayed: a grey one with the FLURN logo and a black one with a cartoon character and the text "24 X 7 ENERGY".
