**Manasi** (Parent of a 7 year old)

My son has been learning Keyboard for the past 3 months. We have seen him develop interest for music and were proud parents to see him play

**Priya** (Parent of a 13 year old)

We are happy that Flurn is providing such a platform where parents do not have to worry about dropping off their little ones since they provide their services right where we stay.

**Gunjan** (Parent of a 10 year old)

I am delighted to share my wonderful experience with Flurn which provides exceptional keyboard lessons for my child. Teachers are highly skilled and possess an incredible ability to engage & inspire young learner's.
