About us

At Flurn, we are on a mission to equip children with 21st century skills. Our programs are designed to nurture your child's creativity, encourage collaboration and encourage a creator mindset.

In our music production workshop, children will dive into the fascinating world of modern music creation via digital audio workstation software on a tablet / laptop.

Course highlights

- Understand basics of music production & hands-on with DAW software
- Learn basics like music theory, ear training & listening techniques
- Project based learning via popular songs
- Guided production for kids to create their own tunes

What is included

15 offline classes

Certificate of completion

Transform your musical ideas into a vibrant and original composition

Bengaluru's best program for learning music

Join 1000s of students who have discovered the joy of learning & playing music

5.0 google rating

Manasi (Parent of a 7 year old)
My son has been learning Keyboard for the past 3 months. We have seen him develop interest for music and were proud parents to see him play

Gunjan (Parent of a 10 year old)
I am delighted to share my wonderful experience with Flurn which provides exceptional keyboard lessons for my child. Teachers are highly skilled and posses an incredible ability to engage & inspire young learner's.

Priya (Parent of a 13 year old)
We are happy that Flurn is providing such a platform where parents do not have to worry about dropping off their little ones since they provide their services right where we stay.
